Notes:

- No conflict of interest exists between Kubota Corporation and the above candidates for Directors.
- Mr. Yuzuru Mizuno is a candidate for outside Director and has adequate experience and considerable insight as a professional in corporate accounting, finance and overseas business operations for a long time. In addition, he had assumed office as a Corporate Auditor of Kubota Corporation for four years. Kubota Corporation considers that he could give advice on corporate management and strategy from a wide-ranging viewpoint and experience. He has assumed office as an outside Director for one year at the end of the 120th ordinary general meeting of shareholders.
- Mr. Kan Trakulhoon is a candidate for outside Director and has adequate experience and considerable insight as executive management of Siam Cement Group (SCG), flagship conglomerate in Thailand. Kubota Corporation considers that he could give advice on corporate management and strategy, including overseas business expansion, from a wide-ranging viewpoint and experience. SCG, of which Mr. Kan Trakulhoon is assuming office as President, is a partner of two subsidiaries in Thailand, namely The Siam Kubota Industry Co., Ltd. and Siam Kubota Tractors Co., Ltd. He has assumed office as an outside Director for one year at the end of the 120th ordinary general meeting of shareholders.

2nd Subject for discussion:

Matters concerning bonus payments for Directors

Kubota Corporation will pay Directors' bonuses (¥46.7 million) for 6 Directors (excluding outside Directors) at the end of the fiscal year ended March 31, 2010, in consideration of results of operations for the fiscal year ended March 31, 2010.

Kubota Corporation asks shareholders to entrust the amount of bonuses for each Director to the Board of Directors.

End of documents

REFERENTIAL MATERIALS FOR THE MATTERS TO BE REPORTED

Business Report for the 120th Period

(from April 1, 2009 to March 31, 2010)

I. Item of Overview of Operations

(1) Review of Operations

1) General Condition of Kubota Corporation and its subsidiaries

For the year ended March 31, 2010, revenues and profit of Kubota Corporation and subsidiaries (hereinafter, the “Company”) substantially decreased from the prior year affected by severe global economic slowdown and stronger yen than the prior year. The business in Asia outside Japan expanded on the background of steady expansion of agricultural machinery markets. However, business in North America and Europe was in severe operating climate due to sluggish demand. Domestic business was dull as a whole due to shrinkage of demand affected by sluggish economy and ongoing deflation.

For the year ended March 31, 2010, revenues of the Company decreased ¥176.8 billion (16.0%), to ¥930.6 billion from the prior year. Although revenues in Asia outside Japan increased, revenues in North America, Europe and Japan decreased. The ratio of overseas revenues to consolidated revenues was 46.1 %, decreased 4.3 % from the prior year.

Operating income decreased ¥33.1 billion (32.2 %), to ¥69.7 billion from the prior year. Operating income in Farm & Industrial Machinery substantially decreased due to declined revenues in North America and Europe, and the appreciation of the yen. On the other hand, operating income in Water & Environment Systems sharply increased due to price declines of raw materials and absent of recorded losses related to the Anti-Monopoly Law in the prior year. Operating income in Social Infrastructure largely decreased affected by decreased capital spending, while operating income in Other increased.

Income before income taxes and equity in net income of affiliated companies decreased ¥9.8 billion (11.7 %), to ¥73.5 billion. Other income (expenses) improved due to turn from foreign exchange loss into foreign exchange gain and a decrease in valuation loss on other investment, while operating income decreased. Income taxes were ¥26.0 billion (representing an effective tax rate of 35.4 %), and equity in net income of affiliated companies was ¥0.4 billion. Accordingly, net income decreased ¥6.8 billion (12.5 %), to ¥47.9 billion. After deducting ¥5.6 billion of net income attributable to the noncontrolling interests, net income attributable to Kubota Corporation was ¥42.3 billion, ¥5.7 billion (11.9 %) lower than the corresponding period in the prior year.

2) Review of Operations by Reporting Segments

(a) Farm & Industrial Machinery

Revenues in Farm & Industrial Machinery were ¥616.7 billion, 18.3 % lower than the prior year, comprising 66.2 % of consolidated revenues. Domestic revenues decreased 2.3 %, to ¥229.6 billion, and overseas revenues decreased 25.5 %, to ¥387.1 billion. This segment comprises farm equipment, engines and construction machinery.

In the domestic market, demand for farm equipment in the first half of the year under review was sluggish on the background of decreased off-farm income resulting from economic slump and uncertainty over the agricultural policy of government. On the other hand, demand for farm equipment in the latter half of the year under review was brisk due to implementation of governmental subsidy for leasing agricultural machinery. On the other contrary, market condition of construction machinery remained severe with lack of recovery of investment in construction. In this circumstance, the Company actively introduced new products and implemented promotional sales activity, and sales of tractors and farm machinery increased. However, sales of engine and construction machinery decreased substantially.

In overseas markets, sales of tractors largely decreased. In Asia outside Japan, although tractor sales were steady in terms of quantity, sales of tractors decreased affected by the appreciation of the yen. Moreover, sales of tractors in North America and Europe decreased substantially due to a stagnation of the markets and the appreciation of the yen. Sales of construction machinery and engines decreased substantially owing to sharp decline of demand in North America and Europe. On the other hand, sales of combine harvesters and rice transplanters increased owing to significant increase in sales in China and Thailand.

(b) Water & Environment Systems

Revenues in Water & Environment Systems decreased 4.8 %, to ¥222.9 billion from the prior year, comprising 24.0 % of consolidated revenues. Domestic revenues decreased 9.0 %, to ¥198.1 billion, and overseas revenues increased 49.1 %, to ¥24.9 billion. This segment comprises pipe-related products (ductile iron pipes, plastic pipes, valves, and other products) and environment-related products (environmental control plants, pumps and other products).

In the domestic market, sales of pipe-related products such as ductile iron pipes and plastic pipes decreased due to shrinkage of public investments and sluggish demand in housing market. Sales of environment-related products also decreased from the prior year mainly due to decrease in sales of waste engineering products.

In overseas markets, export sales of ductile iron pipes to the Middle East favorably increased and sales of valves and pumps also increased steadily.

(c) Social Infrastructure

Revenues in Social Infrastructure decreased 26.8 %, to ¥63.3 billion from the prior year, comprising 6.8 % of consolidated revenues. Domestic revenues decreased 28.3 %, to ¥47.0 billion, and overseas revenues decreased 22.1 %, to ¥16.3 billion. This segment consists of industrial castings, spiral welded steel pipes, vending machines, electronic equipped machinery, and air-conditioning equipment.

In the domestic market, sales of all products in this segment, primarily industrial castings and spiral welded steel pipes, decreased affected by substantial declines in capital spending. In overseas markets, sales of industrial castings largely decreased.

(d) Other

Revenues in Other decreased 14.3 %, to ¥27.7 billion from the prior year, comprising 3.0 % of consolidated revenues. Domestic revenues decreased 12.7 %, to ¥26.9 billion, and overseas revenues decreased 47.9 %, to ¥0.8 billion. This segment comprises construction, services and other businesses.

Sales of construction decreased due to sluggish investment in construction and sales in other businesses in this segment largely decreased.

The Company adopted the FASB Accounting Standards Codification (ASC) 810, "Consolidation". Upon this adoption, "Net income" presented in the consolidated financial statements until the year ended March 31, 2009 was renamed "Net income attributable to Kubota Corporation" to conform to ASC 810.

The Company adopted ASC 280, "Segments Reporting". Upon this adoption, the Company reclassified its reporting segments from previously classified segments of Internal Combustion Engine and Machinery; Pipes, Valves, and Industrial Castings; Environmental Engineering; and Other to Farm & Industrial Machinery; Water & Environment Systems; Social Infrastructure; and Other.

Revenues by Reporting Segment

| | <u>Revenues</u> (in billions of yen*) | <u>Percentage</u> <u>Change</u> | <u>Percentage of</u> <u>total Revenues</u> |
|-----------------------------|--|------------------------------------|---|
| Farm & Industrial Machinery | 616.7 | (18.3) % | 66.2 % |
| Water & Environment Systems | 222.9 | (4.8) | 24.0 |
| Social Infrastructure | 63.3 | (26.8) | 6.8 |
| Other | 27.7 | (14.3) | 3.0 |
| Total | 930.6 | (16.0) | 100.0 |

(*) The amounts have been rounded off to the nearest ¥0.1 billion.

3) Capital Expenditures

The Company made capital expenditures totaling ¥26.0 billion during the fiscal year under review, including investments for information technology and sales expansions.

4) Financing

Funds for capital expenditures were obtained mainly from the Company's internal resources. On the other hand, funds for an increase in finance receivables were obtained mainly from borrowings.

(2) Priority Policies

The Company will implement the following measures in order to achieve medium- to long-term growth amid the difficult business environment.

(1) Management Emphasizing the Front-line of Business with Focus on technology and manufacturing Capabilities

Bolstering the capabilities for developing technologies and manufacturing proficiency that are fundamental aspects of a manufacturer is essential to prevail against increasingly fierce global competition. The Company will identify the types of technologies it should possess from a medium- to long-term standpoint, and put in place structures that will provide the proper framework for manufacturing to promote globalization. Through this effort, the Company will implement management emphasizing the front-lines of business with focus on technology and manufacturing capabilities.

(2) Enhancement of CSR Management

The sustainable growth and development of the Company requires not only continual improvements to earning capacity but also ceaseless contributions to the development of society and conservation of the global environment. From this standpoint, the Company is implementing the following measures to further strengthen its CSR management.

- Through such actions as implementing measures to counter global warming, giving greater consideration to recycling of resources, and developing products and technologies that help conserve the environment, the Company will raise the level of its environmental protection activities, and bolster measures to reduce the load on the global environment.
- To adapt to the rapid globalization of business and other developments, the Company will pursue “ diversity management, ” and proactively utilize a wide range of human resources varying in such aspects as gender, age and nationality.
- The Company will conduct assiduous risk management for financial reporting, quality control, environmental conservation, fair trade, compliance, and other functions that are a fundamental part of corporate activity, and will improve the quality of operational processes through the establishment and strengthening of internal controls.

(3) Improvement of Capabilities to Respond to Fluctuations in the Global Economy

With the rapid growth of its overseas business, the impact on the Company resulting from trends in the global economy, fluctuations in exchange rates, and other factors has become exceedingly large. Establishing a business structure that will allow for a flexible and rapid response to changes in the global business environment has become an important issue for the Company.

Expansion of overseas production and the appropriate placement of production facilities are necessary to strengthen the Company’s ability to respond to fluctuations in the global economy. The Company have already proactively established new production facilities and expanded existing plants mainly in Southeast Asia, and going forward will pursue a program for optimal placement of production facilities on a worldwide scale. The Company will also actively work to strengthen ties between production facilities, and standardize production methods and other aspects of manufacturing.

Globalization of procurement is another important measure in terms of lessening the impact from fluctuations in exchange rates, and strengthening competitiveness. There is still ample room for expansion of global purchasing. The Company will pursue optimization of purchasing together with the optimization of production.

Thorough cost reduction is essential to secure profit in a business environment where expanding sales is difficult. The Company will continue to move forward, with nothing sacred, in implementing its systematic and comprehensive cost reduction program.

(4) Acceleration of Globalization

The Company will continue to devote management resources to its overseas business operations and accelerate their expansion particularly in Asia outside Japan.

Specifically, the Company will utilize the products and technologies of the Water & Environment Systems segment in a comprehensive manner in pursuit of overseas business development. The global market for water and the environmental businesses is expected to grow considerably, and is forecast to expand particularly rapidly in China and other areas of Asia outside Japan. The Company will work with passion and spirit to develop new markets without falling behind the pace of market growth.

In the Farm & Industrial Machinery segment, the Company will focus on expansion in the Asian farm equipment business outside Japan, which has considerable growth potential. The Company will dynamically implement a range of measures to expand sales regions, enhance sales networks, diversify its product lineup, and increase local production. The Company will also establish the Kubota brand as the leading manufacturer of agricultural machinery in the Asian market, and aim to be a corporation that contributes to the resolution of food problems in Asia outside Japan.

(5) Issues upon which the Company should Implement Countermeasures

(Actions for the health hazard of asbestos)

The Company will continuously cope with this issue faithfully from the view point of Corporate Social Responsibility as one of manufacturers that once manufactured asbestos-containing products.

Initiatives to date

- Relief payment

Kubota Corporation has established “Relief Payment System for the Asbestos-Related Patients and the Family Members of the Deceased near the Former Kanzaki Plant” on April 17, 2006 and paid the relief payments to 191 parties up to March 31, 2010.

- Actions for Medical support for asbestos-related diseases

The Company has paid contributions to Hyogo College of Medicine and Osaka Medical Center for Cancer and Cardiovascular Diseases for the purpose of medical treatment and research of asbestos-related diseases, which was allocated for the fiscal year ended March 31, 2010.

The global economy appears to have emerged from its crisis situation, but as the recovery remains weak, a strong sense of uncertainty persists regarding the future. The Company, amid this difficult business environment, will steadily implement the measures outlined above in order to seek long-term growth and development, and an increase in its enterprise value.

We thank all its shareholders for their continued support.

(3) The financial position and the results of operations

1) Consolidated Financial Summary

| Year (Period) | Year ended March 31, 2007 (117th) | Year ended March 31, 2008 (118th) | Year ended March 31, 2009 (119th) | Year ended March 31, 2010 (120th) |
|--|--|--|--|--|
| Revenues (in billions of yen) | 1,127.5 | 1,154.6 | 1,107.5 | 930.6 |
| Operating income (in billions of yen) | 130.3 | 136.9 | 102.8 | 69.7 |
| Income before income taxes and equity in net income of affiliated companies (in billions of yen) | 131.6 | 122.6 | 83.3 | 73.5 |
| Net income attributable to Kubota Corporation (in billions of yen) | 76.5 | 68.0 | 48.1 | 42.3 |
| Net income attributable to Kubota Corporation per common share (in yen) (Basic) | 59.01 | 52.80 | 37.68 | 33.28 |
| Total assets (in billions of yen) | 1,502.5 | 1,464.3 | 1,385.8 | 1,409.0 |
| Equity (in billions of yen) | 695.7 | 691.3 | 616.2 | 671.6 |
| Kubota Corporation shareholders' equity (in billions of yen) | 659.6 | 648.1 | 578.3 | 626.4 |
| Kubota Corporation shareholders' equity per common share (in yen) | 510.75 | 506.09 | 454.60 | 492.51 |

Notes:

1. The consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America.
2. From the fiscal year ended March 31, 2010, the Company adopted ASC 810, "Consolidation". Upon the adoption of ASC 810, the company changed the name of "Net income" to "Net income attributable to Kubota Corporation". Amounts in the prior consolidated financial statements have been reclassified or adjusted to conform to the current presentation.
3. Net income attributable to Kubota Corporation per common share is calculated based on the weighted average number of outstanding common shares for the period. Shareholders' equity per common share is calculated based on the number of outstanding common shares at the end of the period. These per common share amounts have been calculated after deducting the number of shares of treasury stock.
4. Kubota Corporation shareholders' equity per common share is calculated based on total amount of Kubota Corporation shareholders' equity in consolidated balance sheets.
5. The amounts have been rounded off to the nearest ¥0.1 billion except per common share amounts and per common share amounts have been rounded off to the nearest Yen.

2) Financial Summary (Non-consolidated)

| Year (Period) | Year ended March 31, 2007 (117th) | Year ended March 31, 2008 (118th) | Year ended March 31, 2009 (119th) | Year ended March 31, 2010 (120th) |
|---|--|--|--|--|
| Net sales (in billions of yen) | 694.9 | 685.4 | 643.0 | 540.4 |
| Operating income (in billions of yen) | 72.5 | 61.9 | 27.8 | 25.6 |
| Ordinary income (in billions of yen) | 78.6 | 64.3 | 25.6 | 37.4 |
| Net income (in billions of yen) | 43.3 | 32.9 | 3.8 | 29.2 |
| Net income per common share (in yen) (Basic) | 33.46 | 25.53 | 3.01 | 23.02 |
| Total assets (in billions of yen) | 906.9 | 814.8 | 736.4 | 744.1 |
| Net assets (in billions of yen) | 492.3 | 459.9 | 409.0 | 432.0 |
| Net assets per common share (in yen) | 381.12 | 359.06 | 321.47 | 339.59 |

Notes:

1. Net income per common share is calculated based on the weighted average number of outstanding common shares for the period. Net assets per common share are calculated based on the number of outstanding common shares at the end of the period. These per common share amounts have been calculated after deducting the number of shares of treasury stock.
2. The amounts have been rounded down to the nearest ¥0.1 billion except per common share amounts and per common share amounts have been rounded down to the nearest Yen.

(4) Main Subsidiaries and Affiliated Companies (As of March 31, 2010)

| | Name | Issued capital | Percentage of voting shares | Major operations |
|-----------------------------|--|---------------------|-----------------------------|--|
| (Subsidiaries) | | | | |
| 1 | Kubota Credit Co., Ltd. | ¥0.3 billion | 66.8 【15.1】 | Retail financing to purchasers of farm equipment, construction machinery and related products in Japan |
| 2 | Kubota-C.I. Co., Ltd. | ¥3.0 billion | 70.0 | Manufacturing and sales of plastic pipes and fittings |
| 3 | Kubota U.S.A., Inc. | US\$167 million | 100.0 | Administration of subsidiaries in the U.S.A. |
| 4 | Kubota Tractor Corporation | US\$37 million | 90.0 【90.0】 | Sales of tractors, small-sized construction machinery and related products in the U.S.A. |
| 5 | Kubota Credit Corporation | US\$8 million | 100.0 【90.0】 | Retail financing to purchasers of tractors, construction machinery and related products in the U.S.A. |

Notes:

- Figures inside 【 】 represents ratio of indirect holding shares to total shares of each subsidiary, which is included in total percentage of voting shares described above 【 】.
- The number of subsidiaries for the year under review is 105 (including above 17 companies), a decrease of 6 companies from the prior year. The number of affiliated companies for the year under review is 19 (including above one company), a decrease of 4 companies from the prior year.
- Consolidated financial results of fiscal year ended March 31, 2010 are described in “. Item of Overview of Operations, (1) Review of Operations”.

(5) Main Line of Business (As of March 31, 2010)

The Company is conducting its businesses in four fields: “Farm & Industrial Machinery”, “Water & Environment Systems”, “Social Infrastructure” and “Other”.

| Farm & Industrial Machinery | |
|--|---|
| Farm equipment | Tractors, Tillers, Power tillers, Combine harvesters, Reaper binders, Harvesters, Rice transplanters |
| Ancillary tools and Implements for Agriculture | Implements, Attachments, Rice dryers, Mower, Vegetable production Equipment, Multipurpose warehouse, Rice mill, Electric scooter, Automatic rice cooker and other equipment for agricultural use |
| Farm facilities | Cooperative facilities for rice drying and rice seedling, Gardening facilities, Cooperative separating facilities for fruits and vegetables, Rice mill plant |
| Outdoor power equipment | Lawn and garden equipment, Lawn mower, Utility vehicle |
| Engines | Engines (for farming, construction, industrial machinery and generators) |
| Construction machinery | Mini excavators, Wheel loaders, Carriers, Tractor shovels, Welders, Generators and other construction machinery related products |
| Water & Environment Systems | |
| Pipe-related products | Ductile iron pipes, Plastic pipes (Unplasticized polyvinyl chloride pipe, Polyethylene pipe, Plastic lining steel pipe, Fittings and accessories), Valves (for water supply and sewerage systems, etc.), Small scale hydraulic power generating facility, Cast-iron drainage pipe, Single stack drain fitting |
| Environment-related products | Waste water treatment equipments and plants, Water purification facilities, Sludge incineration and melting plants, Membrane Solutions (Submerged membrane systems for night-soil and wastewater purification, Membrane methane fermentation unit), Waste shredding, sorting and recycling plants, Waste incinerating and melting plants, Night-soil treatment plants, Pumps (Furnishing and commissioning of pumping equipment for water supply, sewerage, irrigation and various fields), Johkasou systems (Septic Tanks), Bathtubs |
| Social Infrastructure | |
| Industrial castings | Reformer tubes, Hearth roll, G-Columns, G-Pile, Rolls for steel mills, Ceramics, TXAX (friction materials) |
| Steel pipes | Spiral welded steel pipes (Steel pipe pile, Steel pipe sheet pile) |
| Vending machines | Vending machines (for drinks, cigarettes and tickets) |
| Electronic equipped machinery | Scales, Weighing and measuring control system, CAD systems, Printing and vending machine for tickets |
| Air-conditioning equipment | Air-conditioning equipment |
| Other | |
| Design and construction of water supply and sewerage systems, engineering works and architecture, Services, Roofing and siding materials | |

(2) Remuneration for Directors and Corporate Auditors

| <u>Title</u> | <u>Number</u> | <u>Total</u> |
|-------------------|---------------|---|
| Director | 26 | ¥ 517 million (including ¥ 19 million for 2 outside Directors) |
| Corporate Auditor | 7 | ¥ 106 million (including ¥ 44 million for 4 outside Corporate Auditors) |

Notes:

1. The above remuneration for Directors and Corporate Auditors of Kubota Corporation includes the remuneration for 18 Directors and 2 Corporate Auditor (including 1 outside Corporate Auditor) who left their office at the end of the 119th Ordinary General Meeting of Shareholders on June 19, 2009.
2. The above remuneration for Directors of Kubota Corporation does not include the salary for employees' portion of certain Directors.
3. Remuneration for Directors includes ¥46 million of bonuses for Directors to be proposed on the 120th Ordinary General Meeting of Shareholders.
4. In addition to above remuneration, Kubota Corporation paid ¥ 33 million of retirement benefit for 4 Directors in accordance with the resolution at the 115th Ordinary General Meeting of Shareholders held on June 24, 2005, which resolved retirement benefits earned before the termination of the retirement benefit system for Directors and Corporate Auditors (on June 24, 2005) should be paid at the time of the retirement of each Director and/or Corporate Auditor from his/her office.
Accrued retirement benefit at March 31, 2010 in accordance with the above resolution were ¥112 million for 5 Directors and ¥1 million for an outside Corporate Auditor, respectively.

(3) Policy for Determination of Remuneration and its Calculation Method for Directors and Corporate Auditors

The remuneration for directors is determined at the Board of Directors Meeting in consideration of operating result, compensation levels of other companies, wage level of employees, and the report of the Compensation Council within the range of remuneration amounts resolved by a general meeting of shareholders. The Compensation Council is composed of representative directors excluding the President and executive officers in charge of indirect departments. The report of the Compensation Council is submitted to the Board of Directors Meeting after approval of President.

The remuneration for corporate auditors is determined by agreement of the Board of Corporate Auditors within the range of remuneration amounts resolved by a general meeting of shareholders.

(4) Activity report for outside Directors and outside Corporate Auditors

| <u>Position</u> | <u>Name</u> | <u>Their Activities</u> |
|-------------------|----------------------|---|
| Director | Yuzuru Mizuno | Mr. Yuzuru Mizuno attended 9 Board of Directors' Meetings (out of 10 meetings) after his assuming office on June 19, 2009 and made use of considerable experience and extensive knowledge of business management. | Corporate Auditor | Masanobu Wakabayashi | Mr. Masanobu Wakabayashi attended all 12 Board of Directors' Meetings and all 16 Board of Corporate Auditors' Meetings and expressed opinions based on long experience of legal career and professional viewpoint. He also attended the regular meetings with Representative Directors and expressed opinions. |

. Independent Auditor

(1) Name of Independent Auditor

Deloitte Touche Tohmatsu LLC (Japanese member firm of Deloitte Touche Tohmatsu, Swiss Verein)

Deloitte Touche Tohmatsu changed company name to Deloitte Touche Tohmatsu LLC, due to conversion to a limited liability company on July 1, 2009.

(2) Compensation for the Independent Auditor for the fiscal year ended March 31, 2010

| | |
|--|---------------|
| 1) Amount of compensation provided for the fiscal year ended March 31, 2010 | ¥ 225 million |
| 2) Total amount of cash and other financial benefits payable by Kubota Corporation and its subsidiaries to the Independent Auditor | ¥ 250 million |

Notes:

1. The compensation for auditing are not divided into the compensation related to the Corporate Law and the compensation related to the Financial Products Trading Law in the audit contract between Kubota Corporation and the Independent Auditor, and it cannot be divided into the two portions. Therefore, the amount 1) described above is a total amount of the two portions.
2. Kubota Corporation paid fees to the Independent Auditor for the support services related to consultations on accounting and finance, which are not services specified in Article 2 Paragraph 1 of the Certified Public Accountant Law.
3. Kubota Tractor Corporation and other 14 principal subsidiaries are audited by independent auditors different from the Independent Auditor of Kubota Corporation.

(3) Policies for Determining Dismissal or Non-reelection of Independent Auditor

The Board of Corporate Auditors examines the dismissal or non-reelection of the Independent Auditor if Kubota Corporation believes that it infringes upon or contravenes laws and regulations such as the Corporate Law, the Certified Public Accountant Law, or other laws. If the Board of Corporate Auditors determines that the dismissal or non-reelection is reasonable, it submits, in accordance with the rules and regulations for the Board of Corporate Auditors, a request to the Board of Directors to include the “dismissal or non-reelection of accounting auditor” in the agenda of the ordinary general meeting of shareholders.

. Item of Systems to be developed to Establish Internal Control Systems

The Company has set and is implementing the following nine systems to ensure the propriety of our business operations.

1. System to ensure that Directors and employees perform their duties in compliance with laws and regulations, and the articles of incorporation

As the basis of a system to ensure that Directors, Executive Officers and employees perform their duties in compliance with laws and regulations, and the articles of incorporation, Kubota Corporation establishes the “Charter for Action” and “Code of Conduct” to be observed by all Directors, Executive Officers and employees of Kubota Corporation and its subsidiaries.

Under the Company-Wide Risk Control Committee, the department in charge designated for each risk category of management risks (hereinafter referred to as the “department in charge”) undertakes such activities as education and training to promote compliance with laws and ethics, and performs internal audits.

In addition, based on the operational regulations “Operation of Whistle Blowing System”, Kubota Corporation sets up the “Kubota Hotline,” a service counter for in-house whistle blowing and consultation that is equipped with rules to protect whistle blowers, to discover at an early stage any improper conduct that infringes on laws or other regulations and to prevent such infringements from occurring.

2. System related to the holding and control of information about Kubota Corporation’s Directors execution of their duties

Kubota Corporation properly keeps and controls information on the execution of duties by the Directors and Executive Officers in accordance with its in-house rules and regulations, such as the “Regulations on Custody of Documents” and other items. Kubota Corporation also maintains a standard by which such documents are available for examination, as necessary.

3. Rules and regulations on the management of risks of losses and other systems

Kubota Corporation manages risks of compliance, environment, health and safety, disasters, quality, and other risks relating to the performance of business operations by establishing in-charge departments or committees under the Company-Wide Risk Control Committee, and by providing internal rules and regulations, manuals, and other guidelines to respond to such risks.

In order to respond to new risks, the Company-Wide Risk Control Committee will determine the department in charge, and the new risks will be controlled by the said department.

4. System to ensure the efficient execution of duties by the Directors

The Board of Directors decides management execution policy, matters set in laws and regulations and other important matters regarding management, and oversees Directors and Executive Officers execution of their duties.

At the Executive Officers’ Meeting, President & Representative Director gives directions and information to the Executive Officers about policies and resolutions of the Board of Directors. The progress of execution of their duties is reported to President & Representative Director by the Executive Officers.

Kubota Corporation enhances our decision-making process by having adequate discussions in “management committee”, with the participation of the President and other Directors, to decide important management matters. Kubota Corporation also implements multidimensional studies in an “investment council,” mainly consisting of Directors in charge of indirect departments, to discuss important investment projects. The results of these discussions are reported to the Board of Directors to enhance the effectiveness of the system, in accordance with the operational regulations “Operation of Management Committee and Investment Council”.

5. System to ensure proper business operations within Kubota Corporation, consisting of Kubota Corporation and its subsidiaries

To create a control environment for Kubota Corporation, Kubota Corporation establishes the “Charter for Action” and “Code of Conduct” and shares these philosophies. To ensure proper business operations of Kubota Corporation, including its subsidiaries, Kubota Corporation sets its in-house rules and regulations and establishes proper internal control systems. The status of the establishment and operation of internal control systems related to the management risks including the internal control systems over financial reporting is audited by the internal auditing department and departments in charge, after self-audits performed by each department of the Company and its subsidiaries, and the

results of such audits are reported to the Directors in charge, Chairman of the Company-Wide Risk Control Committee, President & Representative Director, the Board of Directors and Corporate Auditors.

Kubota Corporation manages its subsidiaries in accordance with the “Regulations on Management of Affiliated Companies” in order to keep their proper operations.

6. System for Directors and employees to report to Corporate Auditors and other systems related to reports to Corporate Auditors

The Directors, Executive Officers and employees report the following matters to the Corporate Auditors without delay, in addition to the matters that need to be reported in accordance with laws and regulations:

- (a) Matters that could affect Kubota Corporation’s management;
- (b) Contents of internal audits performed by the internal auditing department and departments in charge
- (c) Contents of whistle blowing revealed in the "Kubota Hotline"; and
- (d) Other matters requested by the Board of Corporate Auditors or Corporate Auditors

7. Matters related to employees who are requested to assist Corporate Auditors in their duties

Kubota Corporation establishes an office of Corporate Auditors and assigns employees to exclusively support the Corporate Auditors perform their duties.

8. Independence of employees in Item 7. above from the Directors

Assignment or other handling of the employees in Item7. is made after consultation and agreement between the Director in charge of Personnel Dept. and the Corporate Auditors.

9. Other systems to ensure effective audits by the Corporate Auditors

- (a) The President & Representative Director of Kubota Corporation has meetings with the Corporate Auditors periodically, and as needed, to exchange views on matters that Kubota Corporation must deal with, the improvement of audit environments, and other issues.
- (b) The Corporate Auditors explain the audit policies and audit plan to the Board of Directors, and the Directors make efforts to improve communication with the Corporate Auditors to enhance the exchange of information and establish an effective cooperation with the Corporate Auditors.

. Policy on appropriation of retained surplus

Kubota Corporation's basic policy for the return of profit to shareholders is to maintain stable dividends or raise dividends together with share buy-back and cancellation of treasury stock. Kubota Corporation recognizes returning profit to shareholders is one of the most important missions and will strive to expand it, considering requirements of maintaining sound business operations as well as adapting to the future business environment.

Kubota Corporation decided at the Board of Directors’ Meeting held on May 11, 2010 that Kubota Corporation would pay ¥5 year-end dividend per common share on June 21, 2010. As a result, the annual dividend per common share for the fiscal year ended March 31, 2010 will be ¥12 (including paid interim dividend which was ¥7).

| Notice of year-end dividend | |
|-------------------------------------|---|
| 1) Amount of year-end dividend | ¥5 per common share (Total ¥ 6,361,076,420) |
| 2) Record date of year-end dividend | March 31, 2010 |
| 3) Payment date | Monday, June 21, 2010 |
| 4) Resource of year-end dividend | Retained earnings |

Notes of Consolidated Financial Statements

Significant Accounting Policies

1. Basis of Preparation of Consolidated Financial Statements

The consolidated financial statements are prepared in accordance with generally accepted accounting principles in the United States ("US GAAP") pursuant to the first paragraph of Article 3 of the Supplementary Provisions of the Ministerial Ordinance of the Corporate Accounting (Ordinance of the Ministry of Justice No. 46 of 2009). Certain supplementary material and notes required under US GAAP are omitted pursuant to the same provision.

2. Scope of consolidation and Application of equity method

105 subsidiaries are consolidated. 19 affiliated companies are accounted for under the equity method.

3. Valuation of Inventories

Inventories are mainly stated at the lower of cost which is determined by the moving-average method, or market.

4. Valuation of Securities

The Company has adopted the FASB Accounting Standards Codification ("ASC") 320, "Investments-Debt and Equity Securities" (former the Statement of Financial Accounting Standards ("SFAS") No. 115, "Accounting for Certain Investments in Debt and Equity Securities").

Available-for-sale securities are stated at fair value based on market prices at fiscal year-end and similar. Any changes in unrealized holding gains or losses are included directly in equity, and cost of securities sold is determined by the moving-average method.

5. Depreciation of Fixed Assets

Depreciation of tangible fixed assets is mainly computed by using the declining-balance method.

Depreciation of intangible fixed assets is computed by using the straight-line method. Pursuant to ASC 350, "Intangibles-Goodwill and Other" (former SFAS No. 142, "Goodwill and Other Intangible Assets"), the Company doesn't depreciate intangible fixed assets which have indefinite useful lives and tests them annually for impairment.

6. Basis of Provision for Allowance

The allowance for doubtful notes and receivables is based on historical collection trends and management's judgement on the collectibility of these accounts.

Accrued employees' retirement benefits are provided for payments of retirement benefits in accordance with ASC 715 "Compensation-Retirement Benefits" (former SFAS No.87, "Employers' Accounting for Pensions" and SFAS No.158, "Employers' Accounting for Defined Benefit Pension and Other Postretirement Plans") based on the fair value of both projected benefit obligations and plan assets at year-end. The unrecognized prior service costs are amortized by the straight-line method over the average remaining years of service of the employees. The Company recognizes actuarial gains and losses in excess of 20% of the larger of the projected benefit obligation or plan assets in the year following the year in which such gains and losses were incurred, and amortizes actuarial gains and losses between 10% and 20% over the average participants' remaining service period.

7. New Accounting Standards

(1) The Company adopted ASC 105, "Generally Accepted Accounting Principles" (former SFAS No.168, "The FASB Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles-a replacement of SFAS No. 162") in September 2009. ASC restructured the existing US GAAP, and the adoption of ASC 105 did not have an impact on the Company's consolidated results of operations and financial position.. Upon the adoption, the Company has made the references of accounting standards in accordance with ASC.

(2) The Company adopted ASC 810, "Consolidation" (former SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements-an amendment of ARB No. 51") effective April 1, 2009. Upon the adoption of ASC 810, noncontrolling interests, which were previously referred to as minority interests and classified between total liabilities and shareholders' equity on the consolidated balance sheets, are now included as a separate component of total equity. Net income is classified into net income attributable to noncontrolling interests and Kubota Corporation in the consolidated statements of income, and related presentation of consolidated statements of changes in equity has been changed.

Under ASC 810, changes in a parent's ownership interest while the parent retains its controlling financial interest in its subsidiary are accounted for as equity transactions. The adoption of ASC 810 resulted in a ¥3,909 million decrease of capital surplus at March 31, 2010.

9. The consolidated financial reports for the prior year, which are provided for reference, have been reclassified to conform to the presentation for the year ended March 31, 2010.

10. Consumption taxes are accounted for as deposits received or deposits paid.

Notes to Consolidated Balance Sheets

1. The amounts in the statements have been rounded off to the nearest million yen.

2. At March 31, 2010, the balances of each classification within accumulated other comprehensive loss were as follows:

| | Millions of Yen |
|--|-----------------|
| Foreign currency translation adjustments | ¥ (42,215) |
| Unrealized gains on securities | 21,050 |
| Unrealized losses on derivatives | (1,592) |
| Pension liability adjustments | (11,734) |
| Accumulated other comprehensive loss | ¥ (34,491) |

3. At March 31, 2010, assets pledged as collateral for debt were as follows:

| | Millions of Yen |
|--------------------------------|-----------------|
| Trade accounts | ¥ 17,806 |
| Short-term finance receivable | 18,445 |
| Other current assets | 573 |
| Long-term finance receivables | 12,447 |
| Property, plant, and equipment | 6,233 |
| Total | ¥ 55,504 |

The above assets were pledged against the following liabilities:

| | Millions of Yen |
|-----------------------------------|-----------------|
| Short-term borrowings | ¥ 20,751 |
| Current portion of long-term debt | 14,137 |
| Long-term debt | 10,079 |
| Total | ¥ 44,967 |

4. The Company is contingently liable as guarantor of the indebtedness of distributors including affiliated companies, and customers for their borrowings from financial institutions. The maximum potential amount of undiscounted future payments of these financial guarantees as of March 31, 2010 was ¥5,991 million.

Notes to Consolidated Statements of Income

1. The amounts in the statements have been rounded off to the nearest million yen.

Notes to Consolidated Statement of Changes in Equity

1. The amounts in the statements have been rounded off to the nearest million yen.

2. At March 31, 2010, the number of shares issued was as follows:

Common stock 1,285,919 thousand shares

3. The components of other comprehensive income for the year ended March 31, 2010 were as follows:

| | Millions of Yen | | |
|--|---------------------------------------|---|----------|
| | Attributable to Kubota Corporation | Attributable to the noncontrolling interests | Total |
| Foreign currency translation adjustments | ¥ 6,408 | ¥ 1,842 | ¥ 8,250 |
| Unrealized gains on securities | 11,728 | 33 | 11,761 |
| Unrealized gains (losses) on derivatives | 570 | (14) | 556 |
| Pension liability adjustments | 9,723 | 85 | 9,808 |
| Other comprehensive income | ¥ 28,429 | ¥ 1,946 | ¥ 30,375 |

Notes to Financial Instruments

1. Description of Financial Instruments

A large portion of trade accounts receivable and retail finance receivables are from dealers or customers in the farm equipment market in North America. However, the Company considers that credit risks on these receivables are limited since no single dealer or customer represents a significant concentration of credit risks.

Other investments which include equity securities are classified as available-for-sale securities. They are possible to be influenced by changes in circumstances such as stock market fluctuation. Therefore, the Company reviews periodically for impairment.

The main methods of obtaining financing available to the Company are borrowing from financial institutions and issuance of bonds. Therefore, the Company is exposed to interest rate risks inherent in these obligations. In order to hedge these risks, the Company uses interest rate swap contracts and cross-currency interest rate swap contracts.

The Company's foreign currency exposure relates primarily to its foreign currency denominated assets in its international operations. The Company entered into foreign exchange forward contracts designated to mitigate its exposure to foreign currency exchange risks.

The Company manages derivative financial instruments in accordance with established policies and procedures. The Company does not use derivative financial instruments for speculations. The credit risks associated with these instruments are not considered to be significant since the counterparties are financial institutions with high creditworthiness and the Company does not anticipate any such losses.

2. Fair Value of Financial Instruments

The carrying value and fair value of financial instruments at March 31, 2010 were as follows:

| | | Millions of Yen | |
|-------------------------------------|----|-----------------|------------|
| | | Carrying Value | Fair Value |
| Financial assets: | | | |
| Finance receivables-net | *1 | ¥ 211,363 | ¥ 212,021 |
| Other investments | *2 | 99,171 | 99,171 |
| Long-term trade accounts receivable | *1 | 47,610 | 50,409 |
| Financial liabilities: | | | |
| Long-term debt | *1 | (308,779) | (309,258) |
| Derivative financial instruments | *3 | | |
| recorded as liabilities: | | | |
| Foreign exchange forwards | | (458) | (458) |
| Interest rate swaps | | (2,764) | (2,764) |
| Cross-currency interest rate swaps | | (2,616) | (2,616) |

- *1 The fair value of finance receivables, long-term trade accounts receivable, and long-term debt is based on discounted cash flows using the current market rate. The amounts of finance receivables-net and long-term debt in the table exclude finance leases. Long-term trade accounts receivable in the table includes the current portion, which is included in trade accounts receivable on the consolidated balance sheet.
- *2 Available-for-sale securities are stated at fair value based on market prices for identical instruments at fiscal year-end. The amount of other investments in the table excludes investments in non-marketable equity securities (¥ 10,135 million) for which there is no readily determinable fair value.
- *3 Derivative financial instruments are stated at fair value based on observable market inputs from major international financial institutions.
- *4 The carrying value of cash and cash equivalents, notes and accounts receivable and payable (excluding the current portion of long-term trade accounts receivable), and short-term borrowings approximates the fair value because of the short maturity of those instruments.

Notes to Per Common Share Information

| | |
|---|----------|
| 1. Kubota Corporation shareholders' equity per common share | ¥ 492.51 |
| 2. Net income attributable to Kubota Corporation per common share | ¥ 33.28 |

Notes of Financial Statements (Non-consolidated)

Significant Accounting Policies

1. Valuation of Securities

Investments in subsidiaries and affiliates are stated at cost, which is determined by the moving-average method.

Marketable securities classified as other securities are stated at fair value based on market prices at fiscal year-end and similar. Any changes in unrealized holding gains or losses are included directly in net assets, and cost of securities sold is determined by the moving-average method.

Non-marketable securities classified as other securities are stated at cost, which is determined by the moving-average method.

2. Valuation of Inventories

Inventories are stated at cost, which is determined by the moving-average method and bookvalue of inventories is calculated by the write-down method based on decreased profitability. Finished goods and work-in-process which are manufactured under specific production orders are stated at cost, which is determined by the specific cost method and bookvalue of finished goods and work-in-process is calculated by the write-down method based on decreased profitability.

3. Depreciation of Fixed Assets

Depreciation of tangible fixed assets except for lease assets is computed by using the declining-balance method.

Depreciation of intangible fixed assets is computed by using the straight-line method. With regard to internal-use software, depreciation is computed by using the straight-line method based on availability period in the Company (five years).

Depreciation of lease assets corresponding to transactions of non-transfer ownership finance lease is computed by using the straight-line method over the leased term under the assumption that the residual value is equal to the guaranteed residual value. In the afore-mentioned transactions of non-transfer ownership finance lease, the Company uses accounting method for ordinary rental transactions for lease transactions started on and before March 31, 2008.

4. Basis of Provision for Allowances

The allowance for doubtful receivables is provided for possible bad debt at an amount determined based on the historical experience of bad debt for normal receivables; in addition, an estimate of uncollectible amounts is made by reference to specific doubtful receivables from customers which are experiencing financial difficulties.

Provision for warranty costs is provided based on an analysis of the historical data of costs to perform under product warranties, under which Kubota Corporation generally guarantees the performance of products delivered.

Provision for directors' bonuses is provided for bonuses payment to directors based on an estimated amount incurred during the fiscal year ended March 31, 2009.

Accrued retirement and pension costs are provided for payments of retirement benefits based on the retirement benefit obligation and the fair value of the pension plan assets at year-end. Prior service costs are amortized by the straight-line method over the average remaining years of service of the employees. Actuarial gains or losses are amortized in the years following the year in which gains or losses are recognized by the declining-balance method over the average remaining years of the employees.

5. Recognition Criteria for Revenue and Costs

The Company applies the percentage-of-completion method to construction contracts commencing on and after April 1, 2009, when the outcome of them can be estimated reliably. Otherwise, the Company applies completed-contract method to them. In measuring the extent of progress toward completion, the Company uses the cost-to-cost method.

6. Consumption taxes are accounted for as deposits received or deposits paid.

Notes to Change in Accounting Policies

Accounting Standard for Construction Contracts

The Company had adopted the completed-contract method to recognize revenue of construct contracts. However, the Company applies "Accounting Standard for Construction Contracts" (Accounting Standards Board of Japan ("ASBJ") Statement No.15 issued on December 27, 2007) and "Guidance on Accounting Standard for Construction Contracts" (ASBJ Guidance No. 18 issued on December 27, 2007) on April 1, 2009. Therefore, the Company has applied the percentage-of-completion method to construction contracts commencing on and after April 1, 2009, if the outcome of them can be estimated reliably. Otherwise, the completed-contract method has been applied.

The adoption of these standards did not have a material impact on the Company's results of operations and financial position.

Notes to Balance Sheets

- The amounts in the statements have been rounded down to the nearest million yen.
- Receivables from subsidiaries and affiliated companies and payable to subsidiaries and affiliated companies
 - Short-term receivables from subsidiaries and affiliated companies ¥ 143,880 million
 - Long-term receivables from subsidiaries and affiliated companies ¥ 28,270 million
 - Short-term payables to subsidiaries and affiliated companies ¥ 36,999 million
- Accumulated depreciation of tangible fixed assets
(Including accumulated impairment losses) ¥ 333,471 million
- Contingent Liabilities:
 - Guarantees
 - Guarantees for borrowings of subsidiaries and affiliated companies from financial institution
 - Siam Kubota Leasing Co., Ltd. ¥ 19,582 million
 - Tata Metaliks Kubota Pipes Ltd. ¥ 797 million
 - Others (26 companies) ¥ 2,286 million
 - Total ¥ 22,666 million
 - Notes discounted ¥ 1,842 million

Notes to Statements of Income

- The amounts in the statements have been rounded down to the nearest million yen.
- Transactions with subsidiaries and affiliated companies
 - Sales to subsidiaries and affiliated companies ¥ 266,714 million
 - Purchases from subsidiaries and affiliated companies ¥ 54,232 million
 - Transactions with subsidiaries and affiliated companies other than operating transactions ¥ 6,274 million
- Gain from transfer pricing adjustment
Gain from transfer pricing adjustment is adjustment of transfer pricing taxation related to transactions between Kubota Corporation and its overseas subsidiaries.

Notes to Statement of Changes in Net Assets

- The amounts in the statements have been rounded down to the nearest million yen.
- Type and number of shares outstanding

| Type of shares | Number of shares as of March 31, 2009 (thousands) | Number of shares increased (thousands) | Number of shares decreased (thousands) | Number of shares as of March 31, 2010 (thousands) |
|----------------|---|--|--|---|
| Common stock | 1,285,919 | - | - | 1,285,919 |

3. Type and number of treasury stock

| Type of shares | Number of shares as of March 31, 2009 (thousands) | Number of shares increased (thousands) | Number of shares decreased (thousands) | Number of shares as of March 31, 2010 (thousands) |
|----------------|---|--|--|---|
| Common stock | 13,476 | 233 | 5 | 13,703 |

4. Dividend

(1) Details of dividend paid

| Date of resolution | Type of shares | Total amount of dividend (million) | Dividend per share | Record date | Date of payment |
|---|----------------|------------------------------------|--------------------|--------------------|------------------|
| Board of Directors' Meeting on May 13, 2009 | Common stock | ¥ 8,907 | ¥ 7 | March 31, 2009 | June 22, 2009 |
| Board of Directors' Meeting on November 6, 2009 | Common stock | ¥ 8,906 | ¥ 7 | September 30, 2009 | December 2, 2009 |

(2) Dividend that the date of payment is in the next fiscal year among the dividend that the record date is in the fiscal year.

| Date of resolution | Type of shares | Total amount of dividend (million) | Resource of dividend | Dividend per share | Record date | Date of payment |
|---|----------------|------------------------------------|----------------------|--------------------|----------------|-----------------|
| Board of Directors' Meeting on May 11, 2010 | Common Stock | ¥ 6,361 | Retained earnings | ¥ 5 | March 31, 2010 | June 21, 2010 |

Notes to Deferred Income Tax

1. Significant components of deferred tax assets

| | |
|--------------------------------------|-------------------------|
| Accrued enterprise tax | ¥ 1,492 million |
| Accrued bonus | ¥ 4,172 million |
| Provision for warranty costs | ¥ 1,347 million |
| Accrued retirement and pension costs | ¥ 6,789 million |
| Valuation losses on securities | ¥ 11,988 million |
| Other | ¥ 8,325 million |
| Subtotal | ¥ 34,115 million |
| Allowance for deferred tax assets | ¥ (6,407) million |
| Total deferred tax assets | ¥ 27,707 million |

2. Significant components of deferred tax liabilities

| | |
|---------------------------------------|---------------------------|
| Unrealized holding gain on securities | ¥ (25,465) million |
| Other | ¥ (879) million |
| Total deferred tax liabilities | ¥ (26,344) million |
| Net deferred tax assets | ¥ 1,363 million |

Notes to finance lease transactions

The Company uses accounting method for ordinary rental transactions for non-transfer ownership finance lease transactions started on and before March 31, 2008.

| | |
|---|-----------------|
| 1. Acquisition costs | ¥ 5,510 million |
| 2. Accumulated depreciation | ¥ 4,284 million |
| 3. Future minimum lease payments | ¥ 1,226 million |
| (Current portion of future minimum lease payments included above) | ¥ 962 million) |

4. Lease expenses (Depreciation expense)

¥ 2,207 million

Note. Depreciation of lease assets corresponding to transactions of non-transfer ownership finance lease is computed by using the straight-line method over the leased term under the assumption that the residual value is equal to the guaranteed residual value. Acquisition costs and future minimum lease payments include interest expense since the balance of future minimum lease payments accounts for only a small percentage of tangible fixed assets as of the balance sheet date.

Notes to related party transactions

| Type | Subsidiary | | Subsidiary |
|-------------------------------------|--|--|--|

INDEPENDENT AUDITORS' REPORT

May 4, 2010

To the Board of Directors of Kubota Corporation

| | | |
|---|---------------------------------|-------------------|
| <u>Deloitte Touche Tohmatsu LLC</u> | | |
| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Akio Tsuchida |
| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Shojiro Yoshimura |
| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Teruhisa Tamai |

Pursuant to the fourth paragraph of Article 444 of the Corporate Law, we have audited the consolidated financial statements, namely, the consolidated balance sheet as of March 31, 2010 of Kubota Corporation and consolidated subsidiaries ("the Company"), and the related consolidated statements of income and changes in equity, and the related notes for the fiscal year from April 1, 2009 to March 31, 2010. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2010, and the results of its operations for the year then ended in conformity with the recognition and measurement criteria of accounting principles generally accepted in the United States of America, as modified by the first paragraph of Article 3 of the Supplementary Provisions of the Ministerial Ordinance of the Corporate Accounting (Ordinance of the Ministry of Justice No. 46 of 2009) (Refer to Notes of Consolidated Financial Statements, Significant Accounting Policies 1. Basis of Preparation of Consolidated Financial Statements).

Additional Information

As discussed in Notes of Consolidated Financial Statements, Significant Accounting Policies 7.(2) New Accounting Standard, the Company has adopted ASC 810, "Consolidation" (former SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements-an amendment of ARB No. 51") from April 1, 2009. Therefore, the Company has prepared Consolidated Financial Statements in accordance with this accounting standard.

Our firm and the engagement partners do not have any financial interest in the Company for which disclosure is required under the provisions of the Certified Public Accountants Law.

The above represents a translation, for convenience only, of the original report issued in the Japanese language.

| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Akio Tsuchida |
| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Shojiro Yoshimura |
| Designated Unlimited Liability Partner, Engagement Partner | Certified Public Accountant: | Teruhisa Tamai |

Pursuant to the first item, second paragraph of Article 436 of the Corporate Law, we have audited the financial statements, namely, the balance sheet as of March 31, 2010 of Kubota Corporation ("the Company") and the related statements of income and changes in net assets, and the related notes for the 120th fiscal year from April 1, 2009 to March 31, 2010, and the accompanying supplemental schedules. These financial statements and the accompanying supplemental schedules are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements and the accompanying supplemental schedules based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the accompanying supplemental schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and the accompanying supplemental schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement and the accompanying supplemental schedules presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements and the accompanying supplemental schedules referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2010, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in Japan.

Our firm and the engagement partners do not have any financial interest in the Company for which disclosure is required under the provisions of the Certified Public Accountants Law.

Transcript Copy of the Audit Report of the Board of Corporate Auditors

(TRANSLATION)

AUDIT REPORT

In respect of the execution of duties of the Directors during the 120th fiscal year from April 1, 2009 to March 31, 2010, the Board of Corporate Auditors (hereinafter “we”), following the discussion among us, have prepared this audit report based on the audit report prepared by each Corporate Auditor, and hereby report as follows:

1. Methods and details of audits by Corporate Auditors and the Board of Corporate Auditors

We have formulated an audit policy, sharing of duties among auditors, and other audit-related items. We have received reports from each Corporate Auditor on the implementation and results of audits, and received reports from the Directors of Kubota Corporation, the Independent Auditor, and other parties on their execution of duties, and requested explanations from them when necessary.

In accordance with the Standards for Auditing by Corporate Auditors, the audit policy, sharing of duties among auditors, and other audit-related items that were determined by us, each Corporate Auditor: communicated well with Directors, the internal auditing department, other employees, and other bodies; gathered information and improved the audit environment; attended the Board of Directors meetings and other important meetings; received reports from Directors and other employees on their execution of duties; requested explanations from them when necessary; reviewed documents concerning matters such as important decisions; and conducted inspections of the business and financial condition at Kubota Corporation’s Head Office and other principle offices. Each Corporate Auditor also monitored and verified: the Board of Directors’ resolution on a system to ensure that the directors’ execution of their duties comply with laws and Kubota Corporation’s Articles of Incorporation, and also comply with the establishing and improving structure prescribed in the Corporate Law Enforcement Regulation Article 100 Clauses 1 and 3 to ensure that joint-stock company’s operations are carried out appropriately; and a system (internal control systems) established based on the said resolution. Each Corporate Auditor strove to communicate well and exchange information with the subsidiaries’ Directors and Corporate Auditors, and inspected some subsidiaries whenever necessary. Through these methods, each Corporate Auditor examined the business report for the 120th period and the supplementary schedules for the fiscal year under review.

In addition, we monitored and verified whether the Independent Auditor made appropriate audits while maintaining its independence. We received reports from the Independent Auditor on its operations, and requested explanations when necessary. The Independent Auditor notified us and we requested its explanations when necessary, concerning its establishment of a “System for Ensuring the Appropriate Execution of Duties” (the Corporate Calculation Regulations Article 131) in accordance with the “Quality Control Standards for Audits” (issued by the Business Accounting Council on October 28, 2005). Through these methods, we reviewed the financial statements (balance sheets, statements of income, statement of changes in net assets and notes of non-consolidated financial statements) and the supplementary schedules, as well as the consolidated financial statements (consolidated balance sheets, consolidated statements of income, consolidated statement of shareholders’ equity and notes of consolidated financial statements), for the fiscal year under review.

2. Results of the Audit:

(1) Results of the Audit for the Business Report

- 1) We have found that the business report and the supplementary schedules present fairly the current position of Kubota Corporation in conformity with applicable laws and regulations and the Articles of Incorporation.
- 2) In respect to the execution of duties of the Directors, we have found neither improper conduct nor any material breach of applicable laws and regulations and the Articles of Incorporation.
- 3) We have found that the resolutions of the Board of Directors regarding the internal control system are proper and correct. We have found nothing that needs to be pointed out concerning the Directors’ performance of their duties regarding the internal control system.

(2) Results of the Audit for the financial statements and the supplementary schedules

We have found that the auditing methods employed by Deloitte Touche Tohmatsu LLC, Independent Auditor, and the results thereof are appropriate and sufficient.

(3) Results of the Audit for the consolidated financial statements

We have found that the auditing methods employed by Deloitte Touche Tohmatsu LLC, Independent Auditor, and the results thereof are appropriate and sufficient.
